

Educational Advocacy for the Inclusion of Youth
4130 Neptune Drive
Erie, PA 16506

Phone: 814-825-0788

Email: advocate@eaiy.org

Web: www.eaiy.org

Services for: children and young adults

Age range: Birth to 30

Services offered:

Educational Advocacy

- Equipping, empowering, and supporting youth to be fully integrated into their schools.
- Teaching effective advocacy strategies assuring equal partnership in the Individual Education Program process.
- Educating families of their rights and responsibilities through seminars and trainings.
- Providing educational advocates for Evaluation Report meetings, IEP's, Pre-Conference hearings, Mediations, and Due Process Hearings

Youth Empowerment and Mentoring

- Empowering youth with disabilities to be their own advocates.
- Encouraging the discovery of their value and self confidence.
- Modeling successful and productive citizenship.
- Presenting youth-centered, hands-on activities that promote learning, discussion, and social networking.

Community Education

- Outreaching to the community (i.e. schools, colleges, businesses, recreational facilities, health care systems).
- Conducting assemblies and presentations.
- Working to eliminate discrimination and stereotyping towards people with disabilities.
- Serving as a resource for creating inclusive practices that are welcoming and supportive of all people.
