Services offered:

EHCA is a non-profit agency dedicated to providing quality residential care and in-home/community supports to children and adults with both mental retardation and/or physical disabilities. We have in-home programs in Erie, Crawford and Venango Counties for individuals who choose to remain at home however wish for supports to help them become as independent as possible. We serve individuals who have MR or MH diagnosis and individuals that have an autism spectrum disorder. Our services range from 24 hour residential care to limited support in-home. We provide enhanced habilitation, community integration, respite (both facility and in-home), and small group community programs.
